Week 2

Upcycle: to take an unwanted material and transform it into something better

*Remember to ask an adult before using anything!
Art is supposed to be fun, just do what you can!

1. Upcycle a small Sketchbook

Look for a cereal box, noodle box, other thin cardboard, or heavy paper. Maybe junk mail? Get creative!

Cut or tear your cover and fold in half. If you have to tear, fold it both ways a few times then carefully tear on the line.

Cut or tear pages from paper, fold in half

Secure with a string, yarn, or rubber band in the middle

2. Fill it in:

What has life been like the past few weeks?

Write or draw at least 5-6 pages.

Week 3

Worry Dolls: small handmade dolls originally made in Guatemala. Children tell a worry doll about their troubles and put it under their pillow to sleep. In the morning the doll has taken the worries away!

*Remember to ask an adult before using anything!
Art is supposed to be fun, just do what you can!

Upcycle a small worry doll out of plastic or fabric

Look for discarded plastic, maybe a plastic bag or other food packaging? Wash it out first. Think about colors. Get creative!

1. Cut a line in the middle but NOT all the way through so you have two long pieces that are attached at the top (head). Secure the head using thread, dental floss, string, a rubber band...
2. About halfway down tie around the waist
3. Separate the two arms and tie around each wrist
4. Optional: Separate the legs and tie around the ankles
5. Optional: Add clothing and tie on

Show someone your hard work

Sculpture Art Challenges!

Try 1 or more

Challenge 1. 1 Sheet of Paper! Cut or tear ONE sheet of paper only into 3-5 pieces. Fold, fringe, curl, crumple, and put them back together to create a sculpture that stands on its own.

Challenge 2. Nature Assemblage! Go on a walk to find items like rocks, twigs, flowers, and leaves. Put them together into a pleasing design.

Challenge 3. Toilet Paper Roll!

What can you do with one toilet paper roll? This French artist, Junior Fritz Jacquet formed them into faces. Can you make one? Try soaking it in water first.

Send me a pic or show someone
